

BOLD VISION BIG GOD

A long-range plan for the future of Cornerstone Christian Academy

CORNERSTONE
CHRISTIAN ACADEMY

Bold Vision, Big God

Cornerstone Christian Academy is an independent, college-preparatory school that exists to glorify the Lord Jesus Christ by challenging its students to know Christ as Lord, to think biblically, and to grow in knowledge and skill that they may serve and influence the world in His name. This mission is driven by a broader vision to equip young people to become lifelong followers of Jesus Christ who impact others for the glory of God.

This is a **BOLD VISION.**

Since CCA's foundation in 1997, the Lord has allowed us to serve over 2,000 students and their families. The current facility is at capacity with over 500 students enrolled. The vision of our founders is being fulfilled, but we believe that God is not finished yet. What does He have in store for current and future generations? Only He knows for sure. We cannot know the future, but we can prepare for it with God's help. The master site plan shown herein represents years of prayer and the plans for the stewardship of land and lives entrusted to our care.

We're trusting our **BIG GOD!**

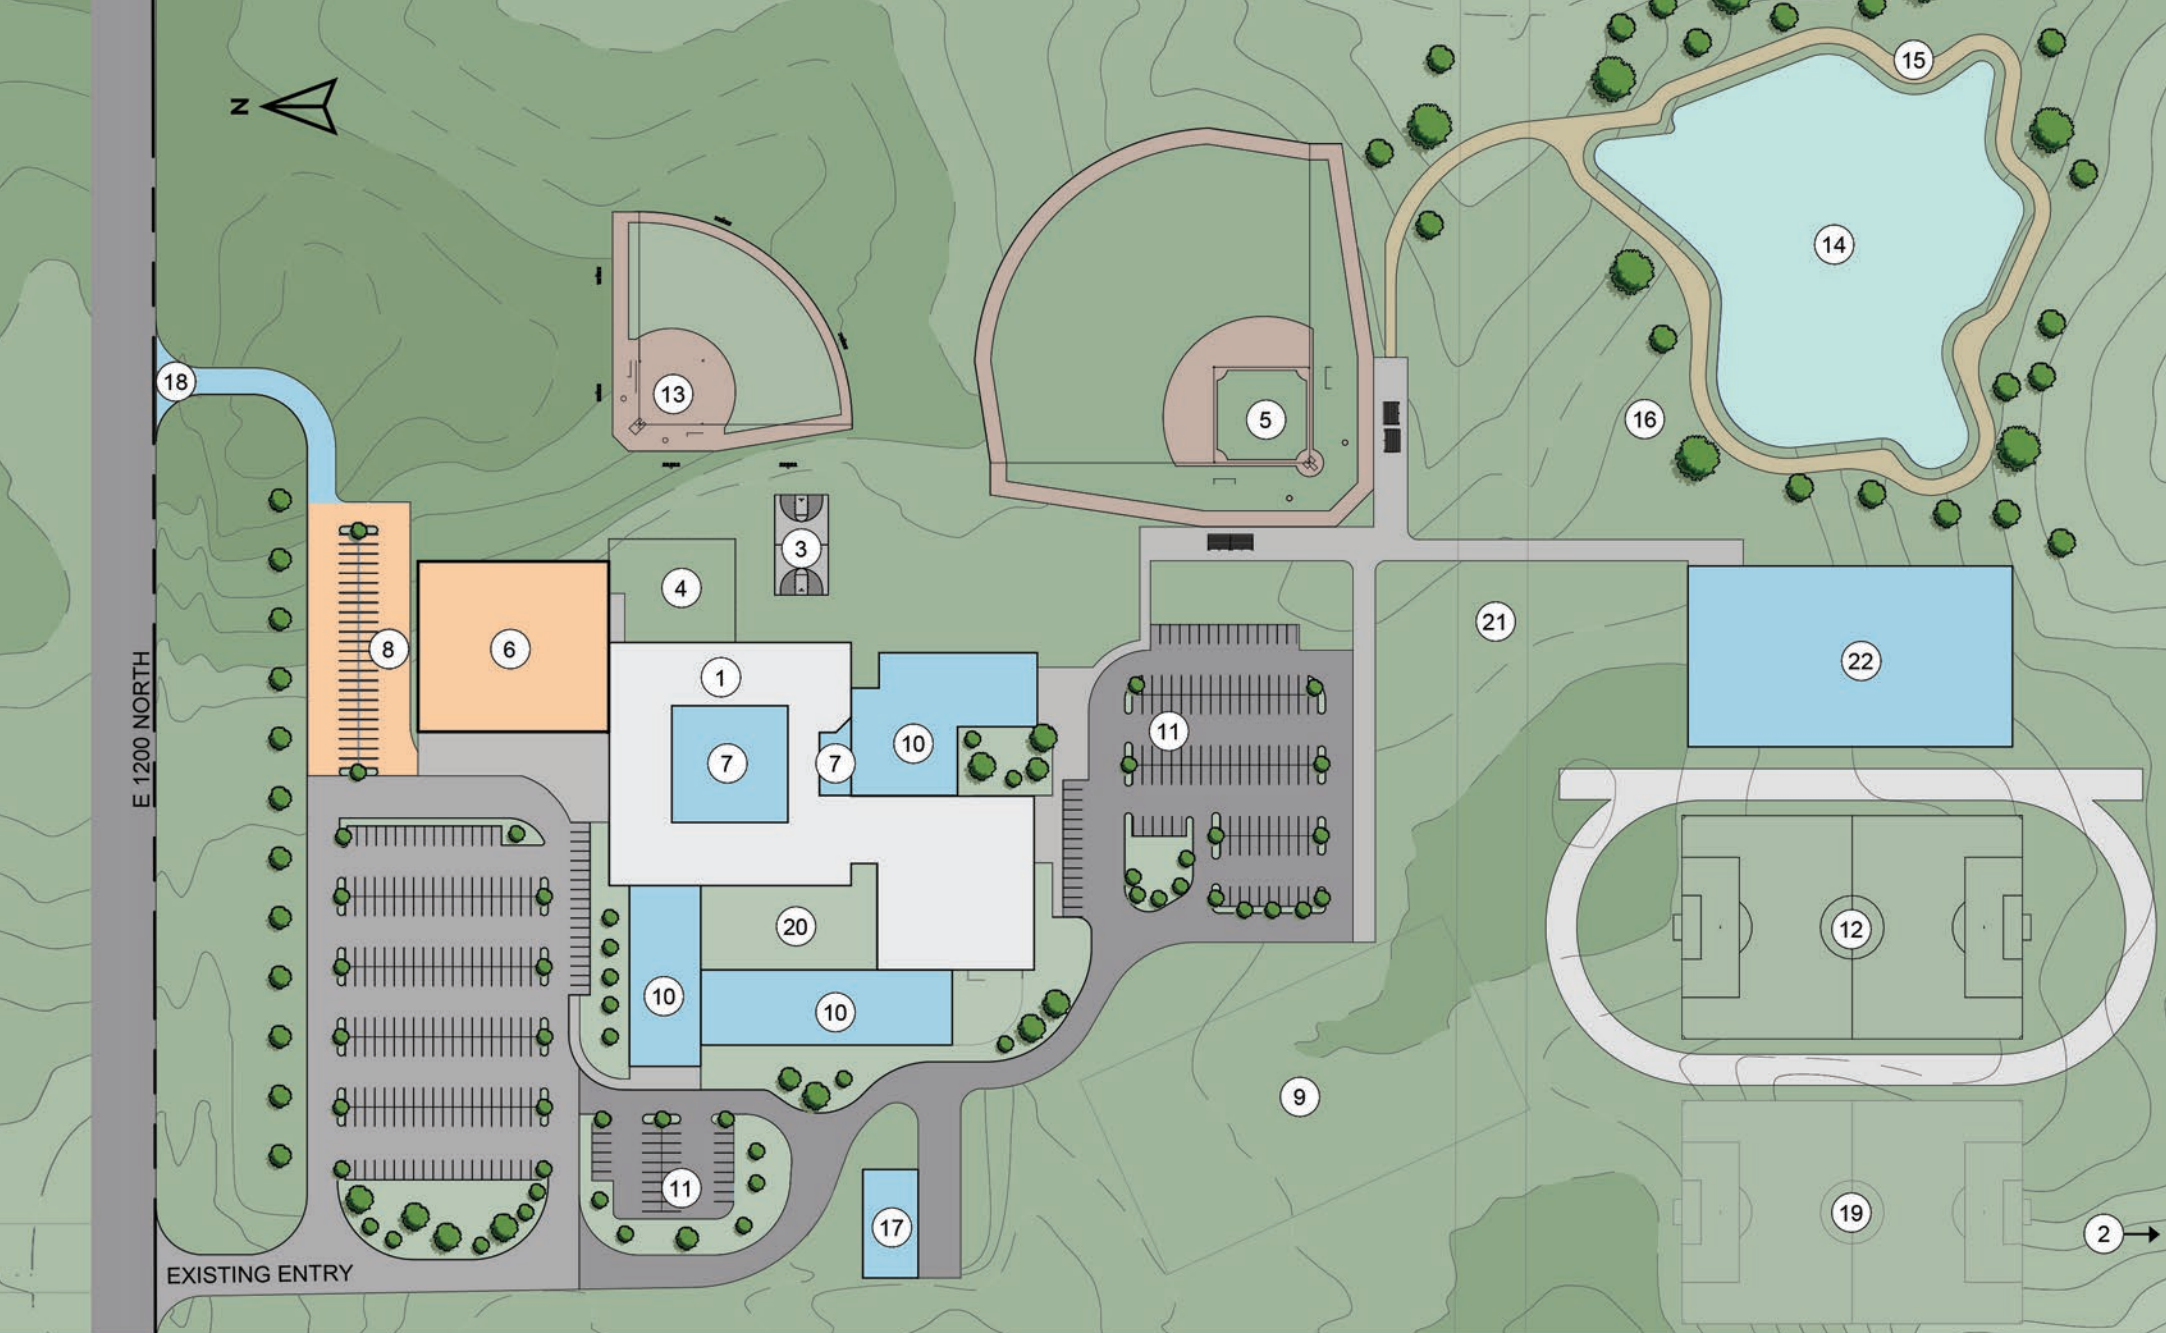

A Matter of Stewardship

This conceptual drawing begins to visualize the possibilities for future facility expansion and grounds improvements on the 78-acre property God has given us to steward, prioritizing:

- increased academic space for growing enrollment,
- intentionally designed spaces for flourishing fine arts and athletic programs,
- enhanced systems for campus safety and security, and
- expanded parking areas for improved traffic flow.

**God's
VISION never
lacks His
PROVISION.**

Will you join us in prayer?

BOLD VISION requires **BOLD PRAYER**, and bold prayer requires a humility that acknowledges that the outcome has very little to do with us and everything to do with God. Will you join us in praying that our **BIG GOD** will bring **BOLD VISION** to fulfillment in His time and for His glory?

There is nothing more exciting than participating in God's mission and working with Him to accomplish His vision! If you are interested in partnering with us in prayer or the sharing of financial resources, please contact Advancement Director Ciara Corley or Head of School Beth Sondgeroth at (309) 662-9900.
